expertise Drilling

Drilling Services

Excellence in Trenchless Technology & Pipeline Services

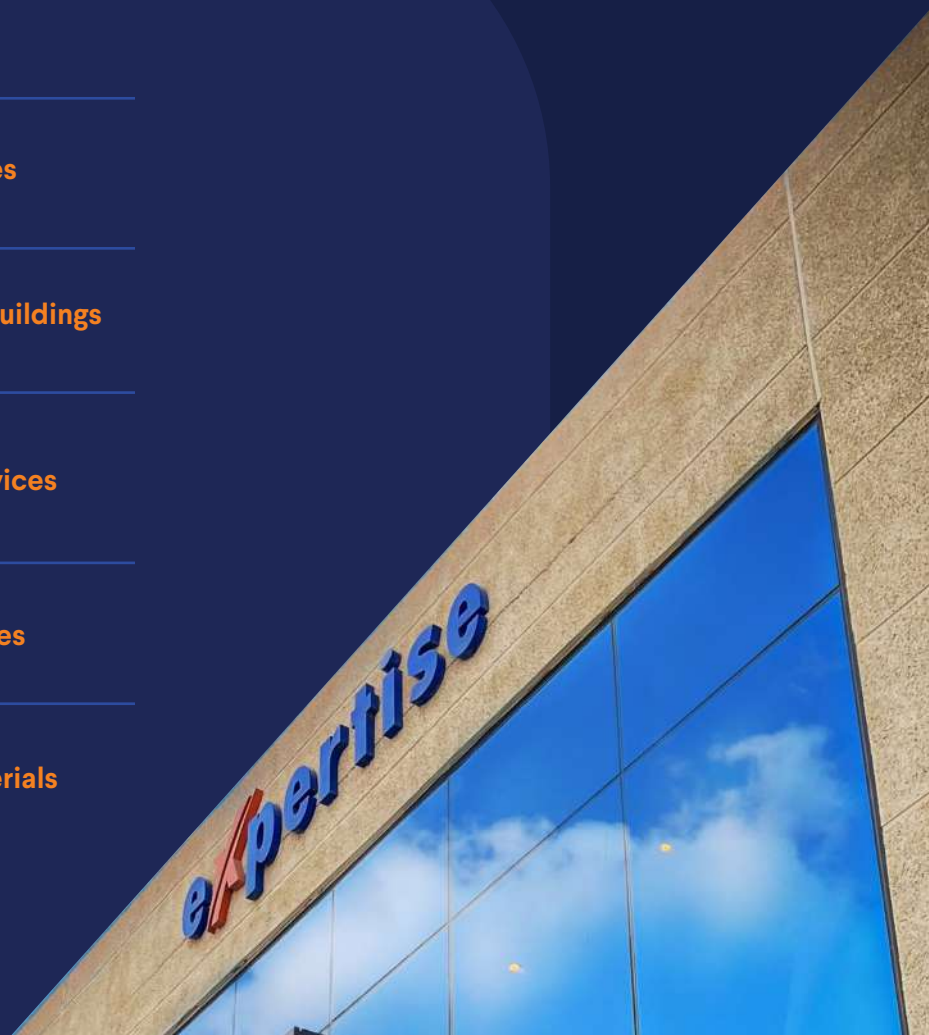

About Us

Expertise Company, based in Saudi Arabia, is a dynamic entity in the industrial services sector, recognized for its comprehensive range of services tailored to the evolving needs of the industrial landscape. With a robust focus on operational efficiency, safety, and innovation, the company excels in providing specialized services across multiple **key verticals:**

- Industrial Services
- Equipment Rental Services
- Manufacturing Modular Buildings
- Facility Management Services
- Civil Construction Services
- Trading of Industrial Materials

About Drilling

Expertise Drilling delivers comprehensive trenchless technology and pipeline services across the Kingdom of Saudi Arabia and GCC countries. We specialize in providing full-range thrust boring and pipeline services to the Middle East Market.

Our Principles

Quality product, on time and within budget

Competitive price

Improved performance

Excellent working relationships for smooth-running projects

Specialist Services

Horizontal Directional Drilling (HDD)

Applications include:

- Water, Oil & Gas pipelines
- Telecommunication and power cable conduits
- Underwater channel crossings
- Roadways and shore approaches
- Environmentally sensitive areas
- Pipeline corridors
- Sand dune drilling (Shaybah empty quarter experience)

Key Success Factors:

- Project planning
- Correct drilling rigs and support equipment
- Quality drilling tooling for all ground conditions
- Correct drilling mud
- Experienced personnel (15-20 years industry experience)

Equipment Range:

- Drilling rigs from 50 ton to 500 ton
- Support equipment including mud pumps
- Mud cleaning systems
- Crossing capability up to 3600 meters

Micro Tunnelling

- Remotely controlled tunnelling machines
- Electric hydraulic powered TBM equipment
- Slurry mixture soil removal
- Laser guidance system
- Up to 3.0Bar face pressure capability
- Suitable for deep pipeline installation
- Dewatering
- Sheet Piling
- Shaft Construction

Composite Wrapping

- ARAMCO APPROVED Fibalite protection
- Abrasive Resistant Overlay
- Wear-Pads for Refinery & Above Ground Pipelines
- Pipeline Repairs
- Field-Weld Joint Coating
- Storage Tank Repairs
- Corrosion under Insulation Prevention
- Under Water Paint
- Rust Prevention
- Solar Panels / Glass Treatments

Pipeline Spacers

HDPE spacers for:

- Electrical insulation
- Damage prevention
- Secure fastening
- Chemical corrosion resistance
- Mechanical and thermal shock resistance

Telecommunications & Power Sector

- Suitable for deep pipeline installation
- Full turn key telecoms & Fiber Optic projects.
- Cable Trenching
- Overhead power lines
- Fiber Cable Splicing
